POLYESTER & LYCRA CAPS

FEATURES

- It has a soft, comfortable feel.
- Polyester swim caps are known to be very soft and will never catch or pull your hair.
- Since Polyester is a fabric, these caps will allow water to flow through the material while swimming, they will not keep your hair dry.
- A Lycra swim cap is made of the same material as most swimsuits are made of, which is, in fact, a mix of Lycra and polyester.
- It can come in a lot of different colors, as is made possible by the lycra fabric.
- Most often, however, it sports a single color or at most two colors.
- It can be solid colour or custom printed.

A photograph of three children standing in a swimming pool. On the left, a girl in a red and blue patterned one-piece swimsuit holds a pink kickboard. In the center, a girl in a blue and white striped one-piece swimsuit with a pink waistband also holds a pink kickboard. On the right, a boy in blue swim trunks holds a blue kickboard. The background shows a pool lane with a red lane line and a tiled pool deck.

TRAINING TOOLS

KICKBOARD JUNIOR & SENIOR

FEATURES

- The swimming kickboard is made of premium EVA compressed foam to deliver long lasting effect.
- Lightweight, soft, flexible, floatable, impermeable and fracture resistant.
- The kickboard was created with beginners in mind. Whether you are a kid playing in a small pool or learning to swim for the first time, an adult who loves to workout, or just float and relax, this board is the perfect fit for exercise and fun.
- Swimming kickboard is designed to effectively immobilize arms and increase leg workout efficiency, making it easy, enjoyable and effective to achieve strong, toned legs while swimming, improving leg endurance,
